GROWING EVERGREENS
TREES & SHRUBS

BROAD STREET, Near Allwood Road
Richfield Section 'Phone Passaic 2-7811

CLIFTON, R. D. No. 1
New Jersey

This price list does not cover everything I grow, but only such stock as I have to offer in quantity. I have been adding a number of the choicest plants from European Nurseries, which I will offer as soon as stock is available.

SHIPPING FACILITIES: All plants are forwarded by Express or Parcel Post, the purchaser paying charges. I make no deliveries. For Parcel Post Charges, add ten per cent. extra, to all orders East of the Mississippi and twenty per cent. west of the Mississippi.

REMITTANCES: Should be made by Post Office Money Order, Express Money Orders or drafts on New York Banks. Please send sufficient money with order to cover the whole bill. I decline to send plants collect on Delivery, and disclaim all responsibility when remittances are not made as above directed. A convenient method of remitting for small accounts is in one and two cent postage stamps. Money should not be sent by mail.

PACKING: No charge is made for packing when cash accompanies the order.

HOW TO REACH NURSERY: Express Buses from Paterson to Newark pass the Nursery every twenty minutes. Bus No. 128 starts from Public Service Terminal in Newark, and corner Clark and Market Streets in Paterson.

TERMS: Strictly Cash.

While I may exert the greatest care to have everything true to name I will not assume any responsibility for errors that may occur other than to replace any stock that may prove untrue.

Visit my rock-garden and nursery.

Faithfully yours,

GEORGE L. EHRLE

Those marked with * are well adapted for the rock garden. Those marked ‡ for cutting.

	Each
‡Achillea Parker's Var., yellow, 2½-3', June — September
